Aadhaar Paperless Offline e-KYC

Aadhaar Paperless Offline e-KYC is a secure and shareable document which can be used by any Aadhaar holder for offline verification of identification.

After entering Aadhaar/VID, create a Share Code of 4-characters. A ZIP file containing the Resident's Paperless Offline eKYC will be password protected using the same Share Code. The file will be downloaded into the Resident's device/desktop.

To avail the service the resident will have to share the ZIP file, the Share Code and registered mobile number with the service provider.

Enter your 12 digit Aadhaar number or 16 digit Virtual ID to begin.

Aadhaar Number Virtual ID
